

Clinical Rotations Designed for U.S. Medical Students

The clinical experiences you need. Guaranteed.

AMOpportunities works with medical schools to expand clinical site availability while meeting curricular requirements. Benefit from expanded location options for your rotations and ensure sites meet your school's curriculum requirements.

ROTATIONS THAT MEET YOUR NEEDS

Our clinical partnerships allow us to offer guaranteed seats at top clinical training sites across the U.S. to students at our partner medical schools.

Earn Credit

Through your school's partnership, you'll have access to pre-selected rotations that fit your school's curriculum.

Access to Guaranteed, On-Demand Rotations

Your school's clinical coordinators can select your rotations or request rotations that fit your schedule.

Gain Professional Development

From helping you secure an LoR to providing you with resume and personal statement tips, AMO has all the resources you need to accelerate your journey to physicianship.

"There are a few moments in your life that change it forever. My rotation with AMOpportunities was one of these moments."
