

## AMO BUDGET GUIDE

We understand the effect clinical experiences can have on your medical education, even if you are just getting started. We hope the following information can help you budget your finances as you consider applying to and planning for a clinical experience with AMO.

Below are estimates relating to pre-shadowing clinical experiences; actual costs will vary.

FEES	IN-PERSON	ONLINE
 <b>Per 4 weeks/1 month:</b> Pre-Med Shadowing Clinical Experience with AMO \$1499-\$2,799		
 <b>HIPAA Certification</b> (if required) \$15-\$25 USD		
 <b>Round Trip Airfare</b> \$200-\$500 USD		
 <b>Health Insurance</b> \$35-\$75 USD		
 <b>Room and Board:</b> \$600-\$1,200 USD		
 <b>Public Transportation</b> (to and from clinical site) \$100-\$200 USD		

It's time to start saving for your experience and provide information to your parents to plan for your clinical rotation.

### WHY SHOULD YOU PARTICIPATE IN A PRE-MED SHADOWING EXPERIENCE WITH AMO?

As a pre-medical student, you are aware of the competition medical school applicants face. To put yourself in the best position and be accepted to a school in the future, you will need to stand out. A pre-med shadowing clinical experience with AMO opportunities can help you do just that—and more!

A shadowing experience allows you to **explore a new area of medicine** and **discover what it's like to practice as a physician**. In just four weeks, you will **obtain mentorship** from your physician and others rotating who might be further along in their medical education. You will also **grow your communication skills** through direct communication with your physician or observation of their interactions with patients.

You will **enhance your medical school application** and allow you to **enter medical school with confidence!**

#### WHAT DOES MY CLINICAL EXPERIENCE PAYMENT COVER?

- The Rotation (e.g., physician and institution fees)
- Orientation
- Enrollment Support
- Application Support
- Documentation Support
- A Personal AMO Coach

Upon program completion, you will be eligible to request a letter of evaluation from the physician supervising the experience and a letter of completion from AMO. You can use these when you apply to medical school to enhance your application.
